TERMS AND CONDITIONS

- Courier Charges apply for the delivery of samples and will be on-charged at cost.
- Scheme Price does not include local taxes and import duties, which must be arranged and covered by the participant.
- VAT is payable by all participants residing in South Africa.
- Invoicing will be done in advance, or on a round-by round basis, dependent on the status of your account with Qotho Minerals. Qotho Minerals retains the right to change the status of accounts, with prior notice.
- A Purchase Order or Payment is required prior to shipment of any samples.
- No refunds will be made for failure to take part in any round of the scheme. If you have registered for a round and the samples have been shipped, you will be invoiced, irrespective of whether you reported results, or not.
- Qotho Minerals cannot guarantee the number of results that will be returned for any element within the scheme, per round.
- Your confidential laboratory code will be issued to the main contact and will be used as reference in all communications from the scheme, please keep it safe.
- The Qotho Minerals Policy needs to be signed, as part of this application.
